

INSTITUTE FOR ENGINEERING RESEARCH AND PUBLICATION

Dear IFERP Member

The future of events is personalization, recognising, Event Experience Leaders, allowing participants to choose their learning and attendance style, and embracing the power of gatherings.

In this month's newsletter, you'll find on-demand conferences, scientific events, speakers, book chapters, journals initiated and so much more.

June 2022 was a phenomenal month. The following stats speak for themselves -

- ✓ 4+ International Conferences conducted across the planet
- ✓ 2+ International Collaborations & MoUs were signed
- ✓ 3+ Webinars
- ✓ 424+ Scientific Presentations
- ✓ 186+ Publications
- ✓ 592+ Professional Members
- ✓ 2830+ Student Members
- ✓ 18+ Premium Members
- ✓ 119+ Seed Funding Proposals shortlisted for Virtual presentation from 92+ Institutions
- ✓ 2+ Book Chapters

Conferences & Scientific Events

International Conferences, June 2022

LASM CER-2022

- 200+ participants, delegates & committee members
- 57+ Abstracts received
- 92+ Registrations
- 8+ Countries
- Acceptance to Rejection Ratio: 59%

ICRCET-2022

Academic Partners :

- Udayana University, Bali, Indonesia
- Universitas Mercu Buana, West Jakarta, Indonesia
- LLOYD Institute of Engineering & Technology, Uttar Pradesh, India
- 250+ attendees, delegates & committee members
- 267+ Abstracts received
- 152+ Registrations
- 23+ Countries
- Acceptance to Rejection Ratio: 57%

Webinar

Application of Space Technology in our Daily Life

- Increasing demand for better camera resolution.
- Better software applications.
- Improved tracking by using a combination of GIS, GPS, and mobile platforms.
- Improve the communication systems (TV, Mobile, Satellite Map ...etc)

Student Leadership Programme – Career after Engineering

- How to build a career in engineering.
- Job opportunities in all engineering departments.
- Promotion options for engineers.
- Which departments receive competitive salaries.
- How covid affects the Job opportunity and changes happening in the IT field (WFH).

Student Soft Skill Programme – How to Face Interview?

- Preparation is key when it comes to facing interviews.
- Research the interviewing organization to gain more insights.
- It takes only 90 seconds for an interviewer to decide whether to hire you or not.
- Anticipate and prepare for questions.
- Close the interview on a positive note.

New Members

- ✓ 76,622+ Members
- ✓ 592+ Professional Members
- ✓ 2830+ Student Members
- ✓ 19+ Premium Members

Book Chapters

- ✓ Applications of Artificial Intelligence and Machine Learning in Healthcare.
 - 75+ Abstracts
 - 25+ Full papers
- ✓ Machine Learning Algorithms for Intelligent Data Analytics.
 - 60+ Abstracts

[KNOW MORE](#)

Seed Funding

- ✓ 119 proposals shortlisted from 92+ Institutions for IFERP – Innovative Project Seed Funding Scheme, virtual presentations.
- ✓ Project Seed Funding Scheme Virtual Presentation was conducted on 26th June, 2022.
- ✓ 119 teams from 92+ Institutions Participated in the virtual presentation.

[KNOW MORE](#)

International Conference / Co-Hosting MoUs Signed

- Sandeep Institute of Engineering & Management, Maharashtra, India.
- Udayana University, Bali, Indonesia.
- Universitas Mercu Buana, West Jakarta, Indonesia.
- LLOYD Institute of Engineering & Technology, Uttar Pradesh, India.

Our Featured Speakers – June, 2022

Dr. Murthy Remilla

Head, Project Management, Human Space flight Group, Gaganyaan Programme of India @ISRO-Indian Space Research Organisation Bangalore, India.

Prof. Dr. Dileep Kumar M.

Director of Strategy and Research, NFCT Malaysia & Pro Vice-Chancellor GNS University, India. (Deputy VC at Nile University, Nigeria)
